

Argumentative Essay Unit- Start Here

Thank you for your purchase!

I use this unit regularly and I also listen to what buyers want, so this resource gets frequent updates. (I actually drive myself a little crazy with all the updating. Okay, very crazy. I already have another update in mind. Yikes.) Keep an eye on it so that you can re-download the zip when a new version comes out.

There are several files included:

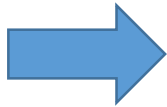

- The original pdf complete version
- The editable version (with instructions for use)
- The digital version

To access and use the digital version, follow these instructions:

*Copy and paste this into your browser..

The file is VIEW ONLY.

You MUST then make a COPY of the file in order to type on it and share it with students.

*The file is in its entirety, so you will have to select which parts to share and when to share them. I **don't** recommend sharing the ENTIRE file with students because it also includes the answer pages!

*Show students how to use text boxes to add text.

😊 PLEASE, be respectful of the fact that I've included editable files. This unit is the result of YEARS of hard work, and I've given a lot of thought about the risk of someone violating copyright laws. But I'm a teacher too. And I know that I have specific terminology I like to use. I decided to take the risk so you can make this ideal for you and your students.

Thank you for bringing this into your classroom. I hope it saves you a lot of time and energy!

😊 Darlene
